CHARITABLE CONTRIBUTIONS & DONATIONS

The purpose of this organizer is to be used as a tool and help you keep track of all your time, contributions and donations to IRS approved organizations.

Make sure you first, open this document, save to your computer, close the document, then open from your saved folder.

Visit: www.irs.gov/charities-non-profits/search-for-charities to make sure the organization that you are donating to is listed on this site and approved by the IRS.

- * We have added a column for miles driven for each day that you donated your time to a charity event. Make sure to include the purpose of your time.
- * If you donated more than \$250 to an organization, make sure you obtain a letter from them.
- * If you donated over \$5,000 to an organization, you will need to receive a 3rd party valuation on that donated property.
